# Early Achievers Revisions: Highlighting Quality

The new Early Achievers process allows participants more ways to highlight quality in their program and get **strength-based** reflective feedback.

*Early Achievers quality standards have not changed.  
What changed is how providers submit and  
demonstrate that they meet the quality standards.*

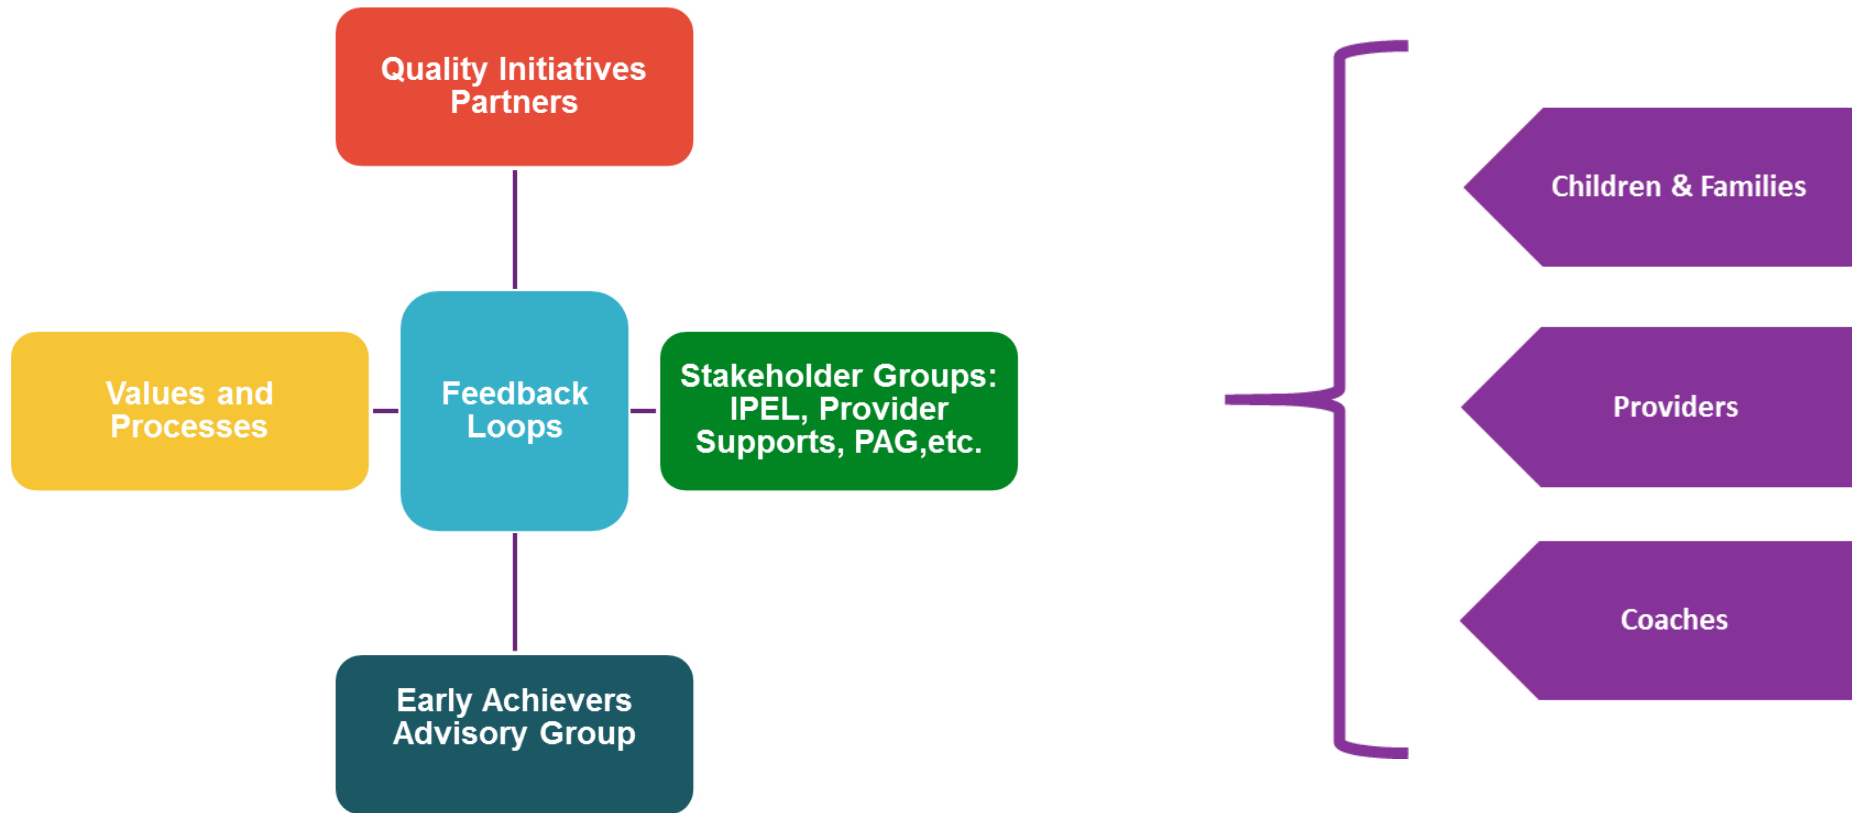

# Early Achievers Participant Feedback Contributed to the Changes

# Collaborative Continuous Quality Improvement

# New Components Address feedback

## Early Achievers System

- Participants will now have the ability to see points before submitting a request for quality recognition
- A Quality Level is automatically generated when a level request is made
- Ongoing community engagement processes are being created to inform the continuous quality improvement of the system
